CASE NO. T-0339:2

DECISION NO. 85-75

ORDER DENYING PETITION

FOR REHEARING

On September 12, 1985, PELRB entered into a unanimous decision wherein it found that the nurse in the Hinsdale School District possesses the required community of interest with the classroom teachers, is an integral part of the educational process and the position appropriate for inclusion in the certified bargaining unit.

Counsel for the District filed for rehearing stating that PELRB's decision was defective in that the findings were unjust and unreasonable in view of several past decisions involving the same position.

Representative for Local 4255 filed an answer to the petition addressing all nine issues raised by Counsel.

After consideration, PELRB reaffirms its decision to include the position of nurse in the bargaining unit and,

ORDERS that the petition for rehearing be and hereby is, DENIED.
